“Today, Public Affairs shall take precedence”

X. Private Members’ Affairs

1. Hon. Member Niroshan Padukka:

The Law College at present has become a place that takes arbitrary decisions without following the rule of law. The persons holding highest responsibilities in this field have turned out into persons who violate basic human rights of law students. There is no institution for the students to complain with regard to this situation neither can they go to courts.

Hence, it is the duty of the Government to preserve the dignity of Law College which, within such a situation, completes 100 years of functioning and hand it over to the future generation. Therefore, this hounourable Council of the Western Province proposes to the Government that the currently existing undignified situation of the collapsing Law College should be solved immediately to mete out justice to the students of the Law College who are facing serious injustices. (M/vi (01)/14/08)

2. Hon. Member Mahinda Jayasinghe:

At present, within the Western Province, fees are being charged from school children and parents from time to time. Collecting money from children’s parents when children are enrolled to Grade One, Grade Six and Grade Twelve as well as for other requirements in classes have put them in greater difficulties. Therefore, this Western Province Provincial Council holds the opinion that levying fees (except Facilities Fees) from school children’s parents of the Western Province should be suspended. (M/vi (01)/14/09)
