“His Excellency the President Maithripala Sirisena’s new government making plans by appointing committees to punish through law the offenders who are responsible for corruption, forgeries, homicides, misusing of state property; alleged to have been committee during the previous government, is an appreciable matter.

There is no other time in recent Sri Lankan history than the period of 1989 -1990 during which time killing of people took place amidst destruction of state property at large. Therefore, this Western Provincial Council requests from His Excellency the President to take action to appoint a committee to investigate into such destructions and punish through law the persons who destroyed state property and carried out human killings as well as to recover from responsible persons the value of state property destroyed.”
(M/vi(01)/15/02)

02. Hon. Member Mahinda Jayasinghe:

“Enrollment of children to schools has escalated into a very critical status.

Although a formal procedure is in action to enroll children to Grade One and Grade Six in comparison to the process of enrolling children to other Grades, such a formal procedure is not in practice to enroll children to other Grades. It is learnt that accepting various bribes, corruption, various irregularities have cropped up as a result.

Therefore, this Western Province Provincial Council is in the opinion that a request should be made from all the relevant parties to establish a more formal procedure for enrollment of children to other Grades as is the procedure followed at present with regard to enrollments to Grade One and Grade Six, and, to take measures to implement it in Western Provincial Council schools.”
